

THE DRAGON

Dear Wanda,

Well, we're Seniors now and that means 12 years of school are nearly behind us. Over half of them we've spent together. We've been best friends since about the fifth or sixth grade and during that time we've had about as big a blast as Junction would let us have! Right? This year is no different - let's show 'em who rates! I won't ever forget Lip Stage or all those double dates we've been on. Let's plan more soon and always keep in mind what we want to do when we graduate! Best of luck to us!

Love Ya!

Lanus

Dear Wanda,

It doesn't seem like we ought to be graduating this year, does it. I think you're a very sweet girl and I want to wish you all the success & happiness you can possibly have in the future. Remember all the "blasts" we've had in the past and may we have many more.

Love ya!
Mary Ann

Dear Wanda,

It's been fun going to school
with you all these years. I hope
you remember all the fun and good
times we have had.
Good luck in
every thing you
do!

Love,
Jean

'65'

Dear Wanda,

Hi,
Donny
Lowery

Dear Wanda
Well - up

Nice knowing
you

PAT Cassa

Dear Wanda,
You have been a great friend to me and
I hope we'll continue to be friends. O boy!
I'll sure miss you next year.

Love,
Patricia

Dear Wanda,

It has been fun going to school
with you all these years. You have
been a really good friend to me. I
would like to wish you all the luck
there is.
Robert
Cook

C. High, our Alma Mater,
To thee our toasts we
raise.

With loyal hearts and
open minds we sing
our songs of praise . . .
With love and hope
We make our pledge
to function,
Our Alma
Mater.

It's been so nice
going to school
with you these
past years and
I would like to wish
you all
good luck
in the
world

To our helpful and understanding grade school principal who has been our friend and guided us with devotion and love through our elementary and high school years, we, the Senior Class of 1965, proudly dedicate this edition of the Golden Dragon to our own . . .

Mrs. Jim Glaze

IN MEMORIAM

August 28, 1964, marked the passing of Mrs. Jessie Bolen, mother of our superintendent, Mr. R. L. Bolen. Having lived with her son for 23 years, Mrs. Bolen felt herself part of the school, and as long as she was able, enjoyed attending school programs. She loved the school children and was known and is missed by them all.

"And may there be no sadness of farewell when I embark;
For tho' from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crost the bar."

--Tennyson

All those who knew him were saddened on July 4, 1964, for Stewart Hall. He had been active in Junction sports and class functions before his graduation in 1961. His passing leaves a vacancy in our hearts filled now only with our memories of his days as a part of our school.

FUTURE STUDENTS

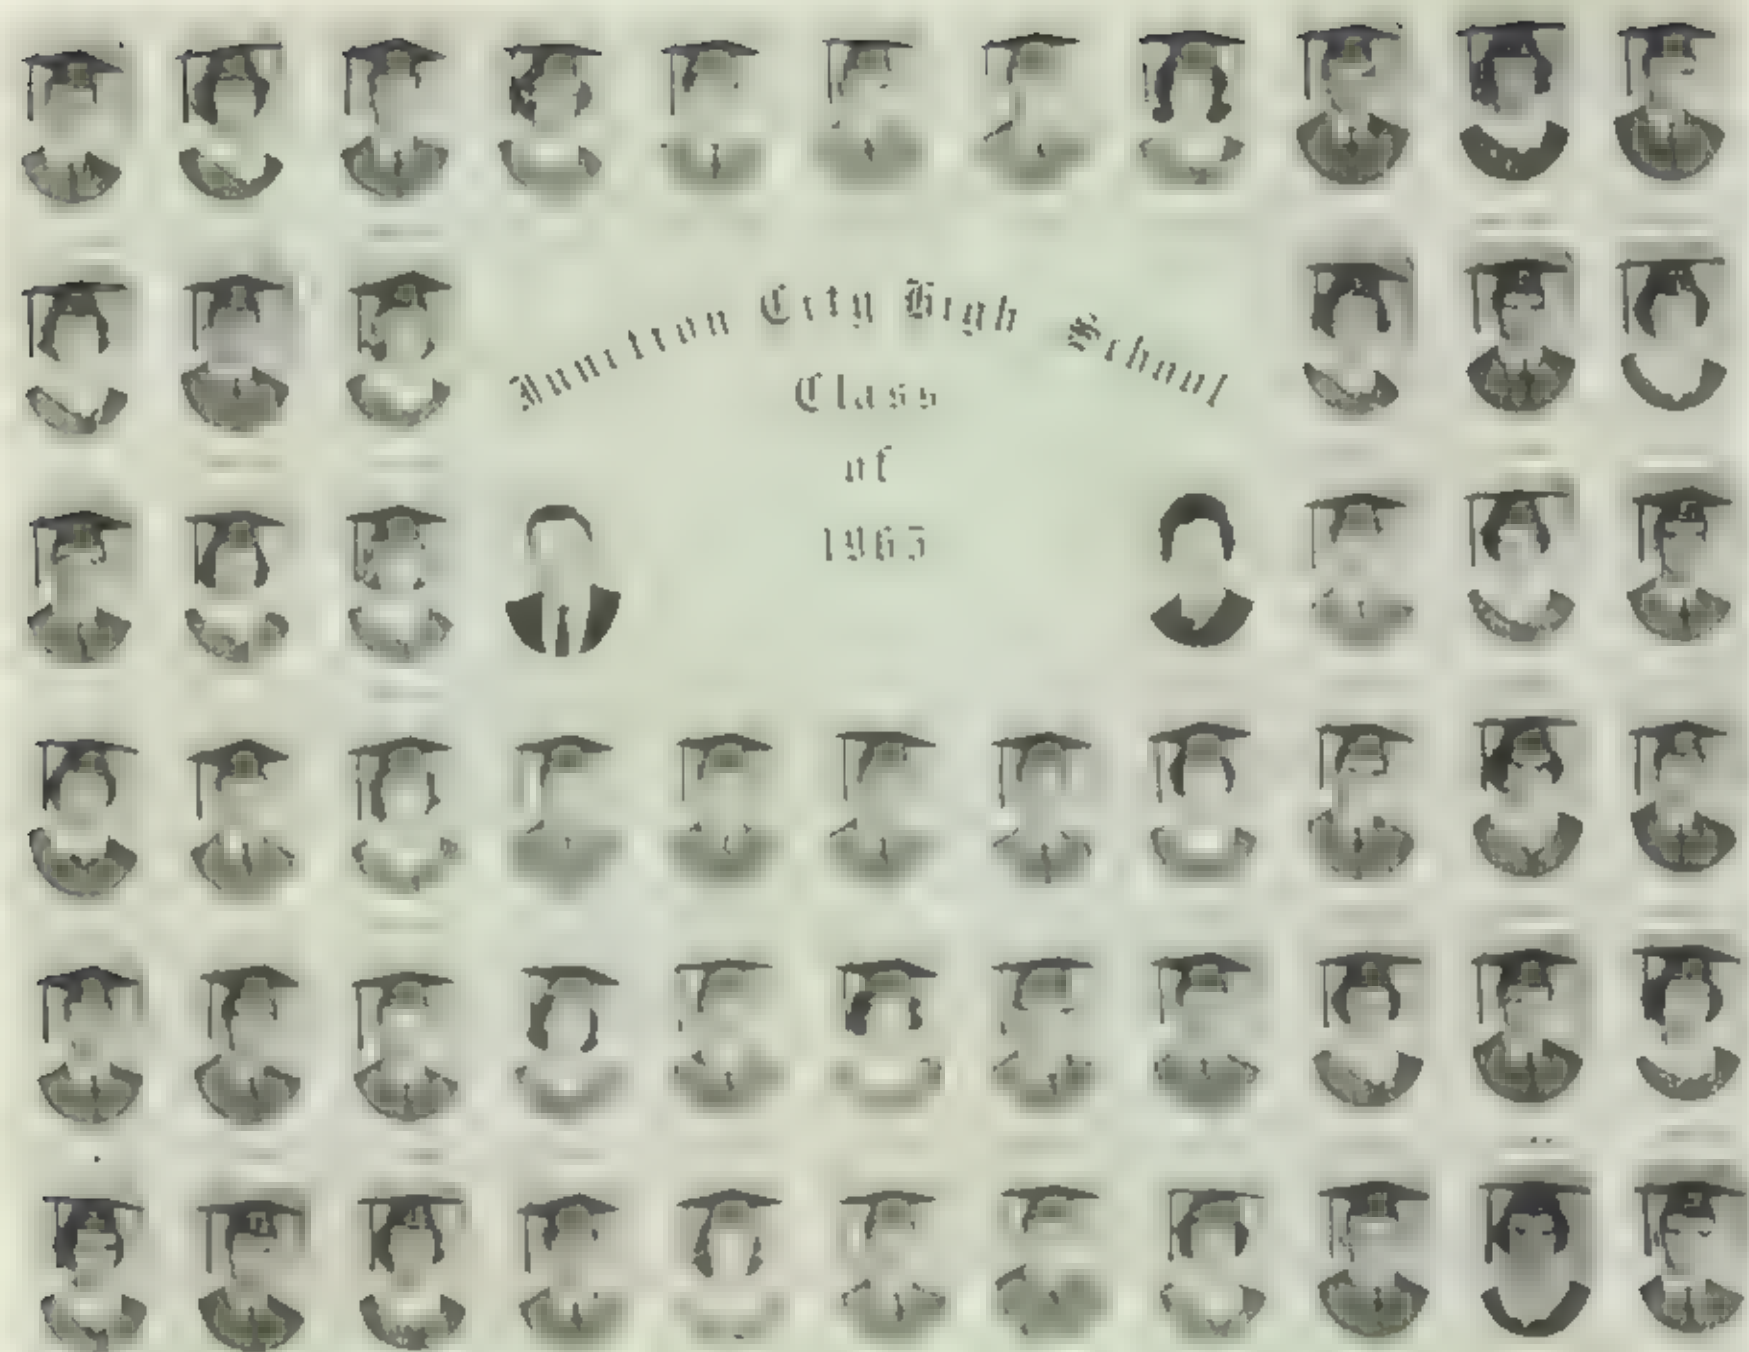

Her Buildings
stately round us stand,
a memory we hold dear.
We love her halls, her
grounds, and to her
standards we'll be true.

COMMENCEMENT

Our years as students of Junction City High School are at a close. We, the Seniors of 1965, say farewell with regret as well as with pleasure. We regret our days here are ended; we are glad that we may now go forth to fulfill whatever our futures hold. We sincerely hope that we may, as we pledged in our motto, "live not for ourselves but for the world."

The Class of '65
